Facts of complaint

Compl phoned; said she is a mean old lady, that she is cousin of subject RAY (father of subject being her first cousin). She swore, spoke insultingly and really sounded mean. Said she wanted FBI to contact her as soon as RAY located, because she does not want him hurt.

She said RAY needs a break because he has never had a chance. She has never seen RAY and has not been contacted concerning him during this current investigation.

I told her someone may want to interview her concerning RAY and she swore, stating she would not talk to anyone else. Only asked that she be notified when RAY found, and asked that Jerry (bro of subject) be given message to contact her.

I would consider her a drunk nut were it not for MURKIN connection.
