FROM : SAC, LOS ANGELES (44-1574)

SUBJECT: MURKIN
CIVIL RIGHTS

For the information of the Phoenix Office, PATRICIA K. ANDERSON, who once resided in the Los Angeles area, and who now resides in the Tucson, Arizona, area, was of assistance to the Los Angeles Office after the death of MARTIN LUTHER KING in Memphis, Tennessee.

PATRICKA K. ANDERSON, nee Patricia Schubert, had received a letter from ERIC S. GALT indicating that he would like a date with PATRICIA SCHUBERT. The letter so offended her that she turned the letter and picture over to the postal authorities, who in turn advised the FBI.

PATRICIA ANDERSON denied ever meeting GALT (JAMES EARL RAY) and she stated that she had never joined any "swinger" clubs or placed any ads in the "Los Angeles Free Press", a local avant-grade newspaper.

It is requested that PATRICIA ANDERSON be recontacted and told that it is not unusual for an individual to receive mailings such as she received and that there are many companies in the United States who do nothing but compile mailing lists which they have obtained from telephone directories, magazine subscription lists, postal guides and city

directories. She should also be told that in some instances "friends" submit names of individuals as a joke and that on occasions vindictive neighbors have also submitted names feeling that in this way they have gotten even with a person they dislike.

It is requested that she be told that many of the "swinger" clubs buy various lists for their own use or else they go so far as to take names from telephone directories and other sources and send material, in hope that the recipient will be interested enough to write back concerning the clubs offerings.

The letter sent by ANDERSON to SA JOHN C. O'NEILL is being sent to the Phoenix Office for their information, and no further investigation regarding this matter is being conducted by the Los Angeles Office.
