4/24/98

Dear Hal,

This was the coverage here.

Posner on N.B.C. claimed Pepper and/or the Ray family is "suppressing" a last tape Ray made.

On Inside Edition 4/24 the former Anna Ray again claimed Ray "confessed" to her.

Rather has forgotten his 1975 documentary which concluded serious questions remain.

Many are anxious to bury the ghosts of the sixties.

Stay well.

Sincerely,
E. A. Williams
