Bernard Fensterwald, Jr., Esq.
927 15th Street, N. W.
Washington, D. C. 20005

Dear Mr. Fensterwald:

Pursuant to your discussion with David J. Anderson of this office, we are forwarding copies of the file cover which you requested. Since our copier could not reproduce the entire cover on one sheet of the paper, the two enclosed copies contain all the written material on the file cover. You will recall that the blurred portions were also blurred on the original. We have delivered the photograph which Mr. Weisburg requested to the Deputy Attorney General's office to have it reproduced. It will be forwarded to you shortly.

Sincerely yours,

CARL EARDLEY
Deputy Assistant Attorney General
