Miss Winnofred Moran
Secretary-Law Clerk to
Judge Edward M. Curran
Chief Judge
U.S.District Court for the District of Columbia
Washington, D.C. 20001

Dear Miss Moran,

I had hoped to be in Washington this past week and to initiate what you so kindly indicate I may do in your letter of October 8. However, this was not possible.

Also, I want to be certain that when I file the motion it is in proper form, for I do not want to be any kind of burden to the Court. Because I will move to act as my own lawyer, as you correctly anticipated, this will require that I learn what the proper form is.

If you can direct me to any agency in Washington I can consult about this, I would very much appreciate it. If you cannot or if it would be improper, please do not take the time to respond. I am certain you have more than enough work without writing any unnecessary letters.

Again, thank you very much for your courtesy and thoughtfulness.

Sincerely,

Harold Weisberg
