June 21, 1980.

Dear Harold,

Here is a clipping that you might find i
interesting to read.
You promised to send Hoss a clipping from the
Washington Star, as yet Hoss hasnt received
it, and Hoss like for a person to keep his
word, Hoss said that.

Sincerly

Hoss.

Dear Jerry,

6/23/80

The mail has just come, with it your 6/21 note attached to a clipping about Jimmy writing a book. Your note is, "You promised to send Hoss a clipping from the Washington Star, as yet Hoss hasn't received it, and Hoss like for a person to keep his word, Hoss said that."

Those with whom you are may not want to tell you what even a reasonably intelligent child should appreciate, that when you refer to yourself in this way you make yourself not a hoss but a jackass. It is the kind of theing that you will be whipped hard over if you ever get in any trouble of there is ever a question of your credibility. Not that the rest of your clowning hasn't destroyed any credibility you may once have had.

I told you that Jim had the clipping, not that I did, and that when he sent it to me I'd make a copy for you. I saw him Friday and I will be getting copies of a few clippings when he has time. When I do, I'll send you a copy. But if you every pull any more of this kind of annoyance, self-important one, I won't. I have no objection to being reminded, because I do and I can forget. This wasn't that.

I will also send you a copy of what you do not mention, although it was in the papers before you mailed this. Nor the Post, which I get. AO also carried it, as I heard last week. John has been charged with another Liberty bank robbery.

I heard from Jimmy several days ago, in response to my sending him some records I was not able to lay my hands on when he first asked for them, some months ago. He says you told him I've been born again. Christ, isn't once enough for and in this world?

Sorry about the mistakes. Rushing not to forget just before I leave on some errands.

When I get the clip I'll send it.

Sincerely,
