Hi Harold, Hows Tricks.

Hoss is just going to type a short note and inclose this letter for you to feast your eyes upon.
You see i get respect from other diginataries, and it seems like i get no respect from you, and Hoss don't like that.

I beleive i told you over the phone about seeing and Atty. about getting a Court Order to get into see James, i seen this Atty About it, and being the Judge was out of town, then i decided to go the TV route, no matter which path i take, i'am always successful, Hoss said that.
I'll give you a call in a week or two, and we can discuss the above and other things of interest.

Hoss

Dear Jerry:

I appreciate your letter and am pleased that you were able to visit James. I felt that there was a problem with the communication at the prison, rather than a problem between you and the prison, and am glad that it is evidently resolved.

It was good talking to you, and if you are in the area again, I would like to buy you lunch, you seem to be an interesting person, and I want you to know that if I can help you in the future you can feel free to call on me.

Sincerely,

Andrew N. Hall
