Hal---

Friend tells me that brother of Bebe Rebozo was arrested for dope pushing.

Is this new?

Best,

Ed, your 3/10 quotes rumor from friend that Rebozo's brother arrested in narcotics case. If you have an informed source on Rebozo, can you learn anything about his wife? I understand her maiden named was Barker, as in Bernard Barker, CIA-er, Watergater, etc. Not too many Cubans so named. HW 3/12/73
