1914 Elmwood FE1-6617

I work for the Texas School Book Depository
I have worked for them seven years. ^{411 Elm St}

Yesterday, Nov. 22, 1963 I was working, we took our lunch ~~period~~ from 12 to 1 pm. I went out side to watch the parade go by. I was standing on the front steps of our building, as the parade drew near I walked closer to the street. Just after the Pres. passed by I heard three shots. The first thing I thought of was someone was shooting at the President. I remarked to Mr Campbell who was standing near by that I thought the shots had come from our building. But I heard someone else say no, I think it was farther down the street.

I went back into our building and up to the second floor to our office. just after I entered the office I saw one of the men who work in the warehouse come through the back office door. this door is located near the lunch room and the rear stair way. I did not know this man's name at the time for he had not worked there ~~long~~ long. However I now know his name to be Lee Oswald. I said to Lee, Oh! some one has shot at the president I hope they didn't hit him. Lee mumbled some thing and walked on out of the office.

He had a coke in his hand

I did not understand what he said. ↯

When I saw him he was dressed in a white T-shirt and I don't recall what his trousers was like. I did not see him any more after that.
