Frederick, MD 21701

Dear Mr. Weisberg:

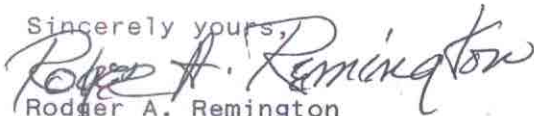

Please accept this letter as a request for permission to use excerpts of your copyrighted material from your book, *WHITEWASH IV: Top Secret JFK Assassination Transcript*, 1974. This use is for inclusion in a manuscript I have written with high hope for publication soon. The general subject is a series of suggestions I am offering future historians who will someday write history of the President Kennedy assassination. Much of the writing is concerned with what I regard as unacceptable methodology utilized by the Warren Commission in its investigation, and in the writing of its *Report*. My writing focuses primarily on the single-bullet theory.

Enclosed is copy of your copyrighted material on pages 5-6 of *Whitewash IV*, and as well my projected use of it in the manuscript. If this use is acceptable to you, please advise me at your earliest convenience of any terms and/or conditions you may wish to impose. With the hope you will approve my request, I offer this suggestion: If you will phone me collect at 616-454-7730 and grant permission, I will then write you a record of both your permission and the conditions governing it. My intention here is to save you the understandable effort involved in writing me.

Conversely, if you choose to withhold permission, I will cheerfully delete my projected use of your material from the manuscript and that will be the disposition of the inquiry. Should you decline to grant this permission, please call me collect and so advise me at your earliest convenience.

With best wishes, I remain

Sincerely yours,
