Dear Harold:

Enclosed is the copy of Roche's book's dedication page. My wife and I thought it over again and decided that even if if wasn't you, it makes an excellent thing to show to people who drop by.

I am sure you saw the article by Huie in Writer's Digest. I sent my copy to the lawyer Lesar anyway jut in case.

I was glad to find out that the reason you are investigating the Ray case is you were turned on by Executive Action. It makes one's flesh creep to read the thing. But I suspect you got him and he is squirming. Either that or he is nuts. I also assume you will not pull a Ford and forgive him.

I am deep in the heart of 2052.

Adios

Dave
