Appeal for Nazi

RICHMOND, June 9 (AP) —Burial of the ashes of George Lincoln Rockwell, former leader of the American Nazi Party, in a national cemetery in Culpeper, Va., was sought today in a suit filed with the fourth U.S. Circuit Court of Appeals.

The request was made by American Civil Liberties Union who contended the Army's refusal to permit a Nazi-style burial of Rockwell in the Culpeper Cemetery in 1967 was unconstitutional.

Rockwell was shot to death by a fellow Nazi in an Arlington parking lot in August, 1967. His cremated remains currently are in the possession of the American Nazi Party.

The Army had ruled that the proposed funeral was improper because no symbols of the Nazi movement or any other political organization are permitted in a national cemetery. The Army's position was upheld by a U.S. District Court at Alexandria.
