

Happy Birthday  
And  
Many Happy  
Returns!

A birthday greeting just for you  
that's coming to express  
Many special wishes  
for good luck and happiness,  
And hopefully you'll know  
the thoughts  
behind each wish for you  
Aren't only for your birthday  
but for each day all year through.

All our best wishes,  
Howard & Duane
