July 16, 1977

Clarence M. Kelley
Director
Federal Bureau of Investigation
U.S. Department of Justice
Washington, D.C. 20535

Dear Mr. Kelley:

This is a request for records under the Freedom of Information Act.

The July 12, 1977, issue of "Midnight/Globe" reported that Frank Sturgis is in possession of an FBI document that allegedly links Lee Harvey Oswald to Raul Castro and perhaps to the Kennedy assassination. My request is for a copy of this document and any other related records.

This FBI document is numbered MM105-8342 and is dated March 24, 1964. The article quoted from the document as follows:

> "Mr._____ believe that Oswald had travelled from Mexico to Oriente Province, Cuba, prior to November, 1963, then returning to the United States.
> "Reportedly Oswald used an airstrip located on the estate of former Mexican President Lazaro Cardenas in the Yucatan Peninsula of Mexico.
> "The trip by Oswald to Oriente Province was reportedly for the purpose of making contact with Raul Castro, the brother of Fidel Castro.
> "This information came from Cubans in the Miami area."

I would also like to remind you that another of my FOIA requests, No. 40,111, is still pending. Please note that I have changed my address.

Sincerely,

Howard Roffman
