JACK H. BROWN, 9312 Wildhaven, Dallas, Texas, advised JACK RUBY had a cabin at Grapevine Lake, where he entertained mostly men.

DIRECTIONS:

Proceed out Grapevine Lake Road from the direction ^{Field Guide} Wichita Falls (Highway 114) and exactly 2.2 miles past the flashing signal light, turn right and proceed to the lake front. The cabin can be located directly across the street from the T. A. YATES house.

SUGGEST that consideration be given to looking into the RUBY property at Grapevine Lake.
