SUBJECT:

Jack F Ruby aka
~~LEE HARVEY OSWALD, aka.~~
~~IS - R - CUBA~~

The Commission contacted Attorney TONAHILL and wanted a statement to effect he did not approve of polygraph examination of JACK RUBY. He would not do it. TONAHILL will not give written statement that he won't allow it to be done. It was suggested the Commission should write RUBY a letter. TONAHILL said that since the Commission insists on it, go ahead with the polygraph examination.

It is scheduled tentatively for 11:45 a.m., Saturday, and CONRAD said to put into arrangement what we discussed the other day. BELL P. HERNDON will be here from the Bureau and SPECTOR from Commission.

The examination will be given at the jail, preferably under jurisdiction of the Sheriff. There will be only one polygraph man this time. Two additional Agents should be present during the examination besides HERNDON.
