

*"I have...wondered at times if we did not pay a very great price for being more energetic than wise about a lot of things, especially Cuba."*

—Robert Kennedy, 1968

*"THIS REVEALING book demonstrates that no other journalist knows more about Robert Kennedy's involvement with anti-Castro Cuban exile forces than Gus Russo."*

—Seymour Hersh, Pulitzer Prize winning author

"Gus Russo has turned twenty years of meticulous research into a thought provoking book...Filled with new pieces of evidence and new-found witnesses...He convincingly demonstrates that the coverup that followed the assassination was prompted in part by the fear of top government officials, including Bobby Kennedy...Russo's book throws a bright spotlight on the politics that swirled around the murder of John Kennedy."

—Gerald Posner, best-selling author of  
*Case Closed* and *Killing The Dream*

"NEW INSIGHTS on the Kennedy assassination are provided...highly recommended for most libraries."

—Gary D. Barber, *Library Journal*
