Dear Ms. Smith,

You are welcome to use the Case Open Pac. cover if you have any use for it.  
And good luck!

I know what you are going through in a torts case from the government. I hope you also do not have the problems I did with lawyers, mine and the government's.

In the end I prevailed and established a new legal principle, of the property owner's ownership of the air space above the property to the degree required to enjoy the constitutional right to own and enjoy property.

It was an aviation, a noise-pollution case.

Best wishes,

Harold Weisberg

Mr Messers,  
I AM READING Case Deal

While in N.Y. I WAS LUCKY  
ENOUGH TO FIND THE LAST COPY  
AT BRANES + MORE. (PT. 22)

When I read the back cover  
I FOUND "ALL" OF THE TACTICS

USED BY GOVERNMENT EMPLOYEES  
IN MY OWN TORT CLAIM FOR  
PROPERTY DAMAGE.

I hope you don't mind if  
I cite your book ALONG WITH  
THE STANDARD FORM 95 (PERSONAL  
& PROPERTY DAMAGE - DEPT. JUSTICE FORM)

Regards,

Lee Whit
