Dear Harold,

Glad to hear there are no conflicts to our visiting on the 25th. Just to make sure nothing comes up at the last minute, I'll give you a call from D.C. sometime on Saturday the 24th to confirm our plans. We'll have a better idea then about what time we'll be leaving Washington on Sunday. Also, I may need to double-check my directions to your place; It's been awhile since I've been through Frederick, and I'm sure the area has changed since then. I have your number in my book as (301) 473-8186. If that's not right, let me know.

You have a good memory! I haven't moved back home, but the house I bought is on the same street as my parents' home, which was my address about ten years ago. In fact, not only do my parents and I live on the same street now, but so does Mary & her family. We're all within a mile of each other, which makes it nice for visiting. Also, I did work at Kennywood before, while I was in college. That was a while ago too!

I'm really glad to hear you're writing again. I'll save anything I see on Specter

for you. Unfortunately, my access to newspapers these days is rather limited, as both of Pittsburgh's papers have been on strike for close to five months now. I have to rely on USA Today and some "local" papers for my news, and it seems the local papers have more bowling scores and wedding information than news. If I make it to the newsstand early enough, I can sometimes get an out-of-town paper, but they are usually gone by the time I get there. The way negotiations are going, no one around here expects Pittsburgh's papers to be back in business any time soon.

I'm looking forward to seeing you both again. Take care till then.

Love,
Karen
