Dear Cal,

We do have an adequate supply of Oswald in New Orleans. They are \$25 plus postage if mailed.

Sorry I forgot to respond to your previous letter. I stay busy and my body now requires much more sleep. I listen to it, as we all should.

I completed a book-length commentary on and analysis of Oswald Talked, which he did not, long ago .

Jim and I like Jim Cavalle and his wife. He and you may not agree but that does not mean he is not a good man. We think he is.

Please give our best wishes to your mother.

Sincerely,

Harold Winsten

Dear Mr. Weisberg,

I didn't know if you got my last letter so am writing again. Again thank you for your time in early October, I have filed all the files you gave to me. I now just finished "Never Again". It does have alot of information in it. Very helpfull.

I also would like to get "OSwald in New Orleans" from you next time I write I will send you the money. OK?

I got a letter from Jim Leavelle. He said I could visit him when I'm in Dallas.

I need to ask you three when I go see him I'm going to ask questions about the book "OSwald Talked". I ordered that book from my book store, I'm going to read it and then ask Leavelle about it, then write about going against it. Like you did with "Case Closed!"

am going to Title it "OSWALD
Didn't Talk". If you are writing
a book going against it, then
I want, but if you not, would and
could you give me some help.

I just wanted to let
you know what am going to
do. I hope you don't object to
my planes.

So, I will write again
soon, so would you send me a response
about the book idea. Thanks Harold.

Your friend,
Carl Johnson

P.S. am writing a book
now, part two of my first. If
you want we send you some
rough drafts, so you could tell
me what ^{you} think.
