Senator Schweiker said he did not lean toward any particular conspiracy. Hoory. "The only thing I'm certain about is that we don't know the truth about the Kennedy assassination," he said.

'A House of Cards'

The Warren Commission report concluded that Lee Harvey Oswald acted alone in killing the President in Dalias. Oswald was killed two days after the assassination by a Dallas night-budget and make the total club owner, Jack Ruby, who later died in Jail.

"I'think the Warren Commission report is like a house of cards," said Senator Schweiker "It's going to collapse." He and Senator Gary Hart, Democrat of Colorado, are co-chairman of a subcommittee looking into the effectiveness of the intelligence close."
