Dear Bob,

I assume you are still with KABC. If not, I hope the connection is better.

Since we were last in touch I've heard that two who figured in our first connection, Dean Andrews and Jim Garrison, ^{have} ~~are~~ gone to their rewards. Dean and I got to be friends and he never went to the jail the door to which you opened. I made a big mistake once when he invited me to a jam session with a ^{cat} from "incy who blows a mean horn." Had an interview set up for that night. Until then I did not know that Deano was a musician.

I write because I have a book to be out soon, the evisceration of Gerald Posner and his mistitled Case Closed. Mine is Case Open, Richard Gallen/Carroll & Graf, ~~xxxx~~ 260 Fifth Ave., New York, 10001. If you'd like one of the early copies, write Richard Gallen or Herman Graf, each at that address but in different offices. It is, really, dynamite, Bob. The wretch does not tell the truth even by accident, to quote the book. It proves plagiarism of all that he says in most important in his alleged evidence. Part is from a then boy who lived near you. ^{He} He was 15!

If you are familiar with Posner's book, he says its most important new information is that Oswald was born to assassinate. His source is the disreputable shrink Renatus Hartogs' Commission testimony. Hartogs actually swore to the exact opposite of what Posner attributes to him. And has a public, ^{court} conviction record not mentioned by Posner, ^{of} using his women patients for free sex! He paid heavily for that sex when it was held to be not that free.

When I was last out there long ago KABC had lots of talk shows if, when the book is out, any of the hosts is interested. But from health problems I keep convoluted hours. I aim for retirement at 3 p.m. your time because I am wide awake not long after midnight my time. But this also means I'm wide awake for your late-night shows.

Or anybody else's.

I don't know whether Bickley has retired yet or not. In recent years the late night/early morning signal of WBBH is not as good as that of WCBS, so when I get up I get the news from New York ^{while} ~~when~~ I'm getting started. I'd like to know, if you know, if he is still there so I can see if he'd like a copy. Or, if you speak to him, please tell him now to get it if he'd like a copy. *And give him my best.*

Best wishes,

Hal
