Sergeant Mahon Today 10/12/71 8:15 a.m.

Opened with general comment on state of justice in Canada

Just Ray guilty, which has to be taken as necessary
he was the shooter
Question one of conspiracy could Ray have committed
the crime - says Ray disappeared in conspiracy
in court. Did he say this in book?
Wrong to put Ray on the stand. That is not the
way Americans just sit in court
We got asked about conspiracy in Ray case I
said he didn't know, but I today appeared to
touch a note that Memphis there was a conspiracy.
