Dear Richard,

Gary Shaw, of Cleburne, TX, coauthored JFK: Conppiracy of Silence with Dr. Charles Crenshaw, a resident at the JFK treatment in Dallas, and Jens Hansen. (Signet, 1992) They have filed suit against JAMA. They have taken depositions and I think will be taking more of them. Gary says it looks like the trial will be this October.

He asked me when NEVER AGAIN! will be published. I told him I understood September. He asked me if he could have access sooner. I told him he can read the manuscript here whenever he'd like. He asked if he, meaning his lawyer, I suppose, could have a xerox of it. For that I referred him to you.

He thinks they can use NEVER AGAIN! in the trial. I'd be surprised if they will not be able to use it more than he can know.

I've hot seen the complaint. I understand the suit is over what JAMA said about them and their book.

Lundberg, remember, is JAMA's editor and Breo, the writer, is also involved.

They have deposed both, I understand.

Best,

Jim
