

Shenel-25 Arkansas NSR Pagers
castigated the late American Nazi Party
leader ~~for~~ George Lincoln Powell as
a "jew-baiter" and praised his own ^{gang} as
"The most extreme anti-semitic group in the
country"

Sh-29 It is not that the FBI knew
nothing about the NSRP. They just didn't
tell the Commission about it. For example,
one of the more significant big case court
records of one of the more of the types who
became its officials is the 1963 court case of its
former national youth leader, Jimmy Sutton.
He phoned Birmingham Ala. police to report
two Communists at NSRP headquarters trying
to take over, and Robert Speer's reports filed in the
Spring 1968 issue of New South. The "Communists?"
Two FBI agents
