

NEW ADDRESS: Rt. 7, Frederick, Md. 21701

12/28/67

Dear Mr. Sorensen;

Thanks for your kind note.

Your books have gone, although this may reach you first.

I am happy with the reception I got in your area. If you think about it, perhaps you will agree that those unreasonable callers tend to put the whole story in clearer perspective, because they show how unreasoning the other side really is.

There is a chance I may be in your area for some speeches. I hope so.

Bob was very nice. You people are fortunate to have a man as fair-minded putting on a talk show.

Best regards,

Harold Weisberg

Dear Mr Weisberg:

Check for \$6.50 enclosed. Please send PHOTOGRAPHIC WHITEWASH and
OSWALD IN NEW ORLEANS.

Thank you for the public service you are providing.

As a nightly WLCY Open Mike (St Pete, Tampa) listener I can tell you
this, first hand: The response of callers-in following each of your two
recent "long distance" appearances was overwhelming. And by overwhelming
I mean 9 out of 10 callers would have something to say about either JFK or
Weisberg. Believe me, if you have an audience anywhere it is down here in
the Tampa Bay area.

You will be happy to know that without any exception I can think of,
the Anti-Weisberg callers inadvertently supported you thru, seemingly, not
knowing just how in hell to attack anybody who seemed to be making a case
by simply referring to public documents. This would fuss anybody up. Wish
to mention ## that Bob Ruark seems to specialize in demanding from all callers,
as politely as possible, the precise source of anything controversial which
a caller might offer. This is good for all of us - and especially to you
in this case, which is why I mention it to you.

Sincerely,

Steffen Sorensen
