Hyattstown, Maryland 20734

Dear Mr. Weisberg:

While I do not know whether any exchange of correspondence is at all useful in view of our diametrically opposed positions, I do wish to acknowledge your letter of June 27.

Contrary to your view, I have full confidence in the accuracy of all of the statements which I have made concerning the work of the President's Commission on the Assassination of President Kennedy.

Sincerely,

ARLEN SPECTER
