Many thanks for the effort with Penguin. The reaction is not uncommon and not

without some validity in commercial terms.

suspect your friend is right, however. and the world and will accept any kind of American corruption is not encouraging. I That the British have also copped out on their responsibilities to themselves

opinion no possibidity that there can be success in Congress with anything less than I suspect at least inadequately if at all. I hope other 21se, of course. any other approach. Mitto for the House, where today a Member may make a belated effort, I hear from him infrequently but he never refers to my forecast that he would fail with would do this when he invited me in last Votober. I left with that wrong impression. a complete and total destruction of the Report as a beginning. I had hoped Schweiker the belief that a short, sharp work could make any real difference. There is in my commercial acceptability. You may recall the book reports my efforts to have a simultaneous or coinciding abridgement. However, I do not geel that experience justifies I have never felt as long a book as this is likely to have any possibility of

the people of Penns might well wonder if when he can't make up his mind after 10 years he is fit to be their Senator. He refused to occept the letter I think three times. I sent it certified. I wrote the papers. All ingored it, so he's protected. Meanwhile, my was asked if he'd debate me and said he had to think, it over. I wrote and told him that easily hold an afternoon seminar fax before an evening speech and/or a morning one the no Phila. college has ever had any - if someone could meet the train or bus I could stay with a sister in Broomal, so the expenses would be only transportation. When I do the Phila area I'd sure welcome the chance! The bureau asks \$750 plus expenses. I could lecture bureau is nothing. So, if you know any college that will invite me to speak in this, if it is wanted and possible, I invite seminars. If you know of any interest - and next day. Again my sincere thanks for the try. Sincerely, My recent efforts to entice Arlen Specter into a confrontation have failed. He
