HEADLINE: Dallas OKs filming ' JFK' on 6th floor

BYLINE: From Chicago Tribune wires

DATELINE: DALLAS

BODY:

The Dallas County Commission agreed Tuesday to let director Oliver Stone use the sixth floor of the former Texas School Book Depository for filming of his movie " JFK, " about the investigation into the assassination of President John F. Kennedy. The commissioners voted 3-2 to reverse a previous decision to deny access to the sixth floor, now an assassination museum. Previously, they had tentatively approved the director's use of the vacant seventh floor and
