make memo on Robert's ^{groden's} call over
about 5:30 p.m. 5/25 - clearly on
Stone's behalf, arguing that Stone
was doing an honest job, etc
~~bad-mouthing Ludwig & the Post~~
Stone lies in saying that I said
there was no conspiracy in any
guarison also got nothing in question
my time in 1963
• "men yank" Flume on the "how"
he had more alopecia totalis
Tell Stone takes a nut to read a
nut & that in addition to what
Lockner said the office must get
conducted investigations I asked
for - if you copies of services regarded
as important and all such copies
