

LBJ & RFK "became part of" "withholding from WC - how?  
RFK "formed" before his brother was killed - he's special int'gov. committee "when?  
~~and~~ anti-Castro plots "unknown at the time" - what is "the time"? - WC's  
or when "tried"? Were they really "unknown"? at any time? Would he  
WC have asked Lib. Congress & learned of them? Did it ask any one?  
WC would not "plunge" into "LHO's" activities. Presumption of guilt -  
but where is proof he was in investigation of it?  
What were LHO's "links to the" "FPCC - any single one?"  
What is the proof RFK "decided" to keep any thing from the WC?  
FBI reported 50 times to C. U. on LHO's "through connections & WC did not know?  
LHO note was to Dallas police > "Became known only  
last year?"

Simple but serious factual errors - haste or ignorance or what? Tell?  
Not only anti-Kennedy but designed to silence LBJ & Kennedy's political enemies  
The fuzziness in detail, as of date, is uncharacteristic of professional  
Based on assumption of guilt.
