Dear Ed.

8/22/97

I also wrote Andt at The Last Hurrah. I wanted you both to know. The threat means nothing to me. It was to file a b-i-i-i-g lawsuit against me.

I've r ad the book. I do not believe what little she ays about the assassination and don't care is she laid LBJ or not.

When you say she told you that Harry got \$20,000 from an investor, did she mean in the book or in his Conservatory Press? I can't imagine anyone in his right mind "investing" with that poor man who is so sick in the head.

Harry did not allow the threat to me as you say. "e had to be behind it. It was on his phone.

I dow bt he cares much about the critical community other than in having it regard him as what he thinks he is, the leader. He has turned most people off and from what I've heard, most of those who began supporting and respecting him.

I do not believe the Eurchison party part of Madeleine's story and did not when Harry used it in his craziness. I know of no factual support for it and I known of no reason to credit it. Things just do not work out that way in real life.

I wish I could use a treadmill! Keep it up.

Th anks for the SASE and best wishes,

Haroly

DEAR HAROLD,

RECAPDING THEATS, WHAT EXACTLY

WAS THE THEERT PIRECTED AT YOU FROM

LIVINGSTONE'S PHONE? HARRY'S CRAZIER THAN

IT THOUGHT TO ALLOW THAT, IT'S CLEAR HE

DOESN'T WANT HIS DESPICABLE ACT TO REACH

THE CRITICAL COMMUNITY, BUT IT WILL ANYWAY,

HE BURNS BRIDGES FASTER THAN AN ARSON,

AND HE IS SUPPASSED IN THE LACK-OF-RESPECT

DEPARTMENT OHLY BY GRODEH.

FINALLY, I WOULDN'T BE TOO QUICK

TO DISREGARD MADELEINE'S STORY. I KNOW LET

AND HIS PALS, CLINT MURCHION, CLIFF CARTER.
