Memorandum

TO : SAC (89-43)

DATE: November 27, 1963

FROM : SA B. T. CARTER

SUBJECT: ASSASSINATION OF PRESIDENT
JOHN F. KENNEDY, 11/22/63,
DALLAS, TEXAS

b7d On 11/26/63, Mr. [REDACTED] Fort Worth, contacted the Fort Worth Resident Agency. [REDACTED] at Polytechnic High School in Fort Worth. He furnished this information on a confidential basis.

b7d He advised that C. A. THOMPSON is the Principal of Polytechnic High School. Mr. THOMPSON furnished the following information on two different occasions to teachers at Polytechnic High in general conversation. He did not seem to think that it should be kept secret, but [REDACTED] did not want his name mentioned. THOMPSON has a son named LAIRD THOMPSON, who is a writer for the Life magazine. He was in Los Angeles, California, at the time of the assassination of the President. Life headquarters called him and had him go to Dallas immediately. After arriving in Dallas, THOMPSON wanted to find the wife or mother of OSWALD. He paid some money to some Dallas policemen to obtain the address where these relatives were staying in Irving, Texas. He went to this address and did find the mother, the wife, and two children of OSWALD. He talked them into going with him and the photographer to the Adolphus Hotel in downtown Dallas. He and the photographer with the mother, wife, and children remained in this hotel for several hours. He received numerous phone calls at his room and he would tell them that he was JOE RUBENSTEIN, a shirt salesman, and that they must have the wrong room when persons called trying to locate these members of the family. The father said that the Secret Service or the FBI finally got to the Adolphus Hotel and took the mother, wife, and children away from his son.

b7d [REDACTED] was furnishing this information to reflect that evidently the Dallas policemen would accept some money for this address, and he did not know what they might do for any other sums of money.

This memorandum is being placed in the file for information purposes only.
