Mr. JAMES STEVENS, also known as Jimmy, Box 2536, Marathon Shores, Florida, telephonically advised SA SAMUEL E. VIRDEN at Jackson, Mississippi, as follows:

He is presently in Jackson, Mississippi, with his wife, who has just undergone surgery at the Baptist Hospital at Jackson. He and his wife will probably return to Marathon Shores shortly after Christmas, 1963. He said that several days ago his wife was informed by BETTY FOLSOM, Grouper Drive, Marathon Shores, Florida, of a rumor Mrs. FOLSOM had heard from the owner of "Little Grocery Store" at Marathon, Florida. STEVENS stated the rumor passed on to his wife was that about one or two years ago a boat docked at the dock of a man named TOPENO (PH), first name unknown, in Marathon Shores. This dock is located at TOPENO's house. On the boat were nine Cubans and one American. The American reportedly went to TOPENO's house and asked to make a long distance call, which he was allowed to make collect. The call was said to be to JACK RUBY in Dallas, Texas, and TOPENO has reportedly said the man who made the call was LEE OSWALD, as he thought he recognized OSWALD from television.

STEVENS said that this is all of the rumor his wife heard and that the man named TOPENO owns a concrete ready mix plant on Aviation Boulevard, Marathon Shores, Florida.

STEVENS requested that in connection with any investigation at Marathon Shores, Florida, his name not be divulged as the source of this information.
