Dear Harold,

This is to let you know that "THE MEN WHO KILLED KENNEDY", our film documentary on the assassination of JFK, is at last to air on American television.

Transmission of the five one-hour episodes is on the Arts and Entertainment Network, beginning the evening of Friday, 27th September and each Friday thereafter. It is appearing under the series title "INVESTIGATIVE REPORTS", hosted by Bill Kurtis.

Please watch!

We would also like to thank you for the generous help you gave us in the making of the film and the time you spent with us, for which we will always be grateful.

With every best wish.

Yours sincerely
