Rerep of SA ROBERT P. GEMBERLING, 11/30/63, at Dallas,  
and Bureau airtel of 12/6/63, airtel captioned as above.

The following are the explanations and action taken  
by this office to resolve the items listed in referenced airtel.  
For clarity, the items are dealt with by numbers as follows:

Number 1,

*Dallas, 12/6/63*  
JAMES DARNELL, reporter, WBAP-TV, was interviewed on  
11/29/63, at which time he informed that he was in the motorcade;  
however, he was at such a distance that he could not see the car  
in which the President was riding. He stated he heard the first  
shot and thought it was a backfire from an automobile. The  
second shot he thought was a firecracker. He stated, however,  
that after the second shot he realized from the confusion that  
something had happened and he jumped out of the car and ran  
toward the President's car; however, he was unable to see any-  
thing and did not get photographs. He said he noticed parents  
were throwing their children to the ground and covering them with  
their bodies, and he took photographs of this activity. He said  
he never looked at the Texas School Book Depository (TSBD) and  
did not see anything in any of the windows.
