The President  
Columbia College  
540 N. Lake Shore Drive  
Chicago, Ill. 60611

Dear Sir,

This is to notify you that your faculty member, Sherman Sholnick, has involved your school in an open theft of my materials. He has used these, without my permission and without even saying it, in radio broadcasts, a spurious lawsuit and in other ways.

If it has not come to your attention, I cite this language from the Chicago "Sun-Times" of March 21:

"Sholnick said his conversations were the result of research done by his class at Columbia College, a workshop in research for students of the school at 540 N. Lake Shore.

"On the radio show, members of the class took part in the questioning of their teacher about what had been found".

All of this is seriously damaging to me, is illegal and improper.

I look forward to hearing from you at the earliest possible time, for if Mr. Sholnick continues he magnifies the damage, to which I shall seek what redress is possible.

Sincerely,

Harold Weisberg
