Mr. Morris Weinkrantz
5508 Forest Lane
Dallas, Texas

Dear Mr. Weinkrantz:

I am researching certain aspects of the Kennedy assassination and am particularly interested in the photographic evidence. While studying the Testimony and Hearings Before the President's Commission on the Assassination of President Kennedy, I came across a mention of a photograph which was in your possession. I would be very much interested in obtaining a copy of this photograph. Would it be possible for me to borrow yours to have it copied, or could you have a copy made and then charge me for all expenses. I am sorry to impose on you in this manner, but the National Archives does not have a copy of this photograph.

For your information, the FBI report mentioning you and your photograph can be found in Volume 26 of the Testimony and Hearings Before the President's Commission on the Assassination of President Kennedy, on pages 603-604 (Commission Exhibit 3050). If you would like copies of these pages please drop me a line and I'll send some.

Best wishes,

Sincerely,

Gary Richard Schoener
