

Dear Mr. Weisberg,

I read ^{your} excellent book "Whitewash" and enjoyed you recently on the radio in the Bay Area.

I did not vote for Mr. Kennedy because his Roman Catholic Church is the enemy of our Constitution and demands that Kennedy by its members. This has been well known in the past, but it is now forgotten, to our peril! I fear for my beloved country & the disintegration of those great concepts of freedom, which you advanced.

A friend and reader
