* Dear Howard - if you wish we can cancel this KPFA show
and schedule another in its place. Two
other stations are interested (KDIA + KFRC)
& maybe we can fill these in at this time
and on another open date. I'll set it up
~~later~~ in the meantime.

Please schedule any plane out of Chicago in
enough time to be in S.F. for a.m. conference
I'll meet you at airport but please send
me flight number and when it arrives.
