

Memorandum

DATE 2/7/67

FROM W. D. CASPER

SUBJECT: INVESTIGATION OF
ACTIVITIES OF THE FEDERAL BUREAU OF INVESTIGATION
IN TEXAS, TEXAS, 1/22/63
RECOMMENDATIONS INFORMATION CONCERNING

Reference is made to my memo to you dated 1/3/67 concerning the
Hypocritical nature of the book "Whitewash II" by Harold Weisberg and his
allegations about the FBI and SA Lyndal L. Shaneyfelt. My memo dated 1/3/67
from Mr. Casper to Mr. Mohr the Legal Research Desk set out their review
and recommendations concerning this matter.

Since there is no assurance that any benefit to the Bureau would be
forthcoming if SA Shaneyfelt undertook the civil suit against Weisberg and
since SA Shaneyfelt has no desire to obtain a financial advantage therefrom,
he contemplates no action.

RECOMMENDATION: None. For information.
