May the wonder of Christmas  
touch the child in your heart.

Happy Holidays

I hope the season finds you and  
your wonderful wife well. I truly  
enjoyed my visit last August, & am  
carefully reading "Watchman"  
at no expense for putting  
me in touch with Bill Muehlen  
He is very nice. I will write  
more in the near future and hope  
to see you again in 1997.
