Dear Dave,

I'm glad you phoned and I appreciate the records you sent.

I hope that when you type your notes up you'll include them. And please be certain that there is an identification of you on them, for archival reasons, so those who use them in the future will know who did the work.

Ditto for Gary, who has promised his, when you speak to him.

You both have done well on this. Thanks and congratulations! I think it is important that it be known that critics are the first to expose exploiters and commercializers of the great tragedies.

That Geneva lived with a man not her husband confirms my belief that the only significance that can be attributed to her working for Ruby is that it says what kind of person she is. It has no other significance.

If you or Gary want to get and read Bernau's Promises to Keep, and the local book stores do not stock it, they can locate all the info. they need in Books 'n Print. I sent Gary a page or two but I forgot to tell him then that the whole diary notion also comes from it. It has been reprinted as a paperback. That is what I borrowed.

I hope someone taped the West HoHo! and that a copy can be had.

As of today's mail I've not gotten copies of any stories on it so I presume that Gary did not send any. I'd appreciate both reading them and having them on file.

Herewith the books you requested. Thanks and best wishes,

Harold Weisberg

Harold;

It was certainly interesting talking with you the other night.

I am sending you some of the first material I put together on the Roscoe White case. I focused on the fact that Ricky White claimed (through his mother Geneva) that "they lived across the street from the Tippits in 1964" and that "my father had to shoot his best friend (Tippit)." Since I was invited to the original press conference, I spoke to Ricky and told him I thought it impossible that Tippit was Roscoe's best friend. Billy Anglin and Murray Jackson were certainly closer. Ricky shrugged and moved off.

I knew that the phone books or Polk and Cole's references were not updated often enough to prove actual residence. I therefore started deed research. I've included all my documentation. I am still trying to chase the Hopkins connection down. I know the White's had marital problems but don't know if Geneva's living with Hopkins or return to the Pine Street apartment has any merit or validity. However, I do know that the White's were not resident on Glencairn until mid 1966, unless McGregor let Roscoe, and Roscoe let the Kattners into those respective addresses two years earlier. (Robert Groden's theory).
Bottom line- A bunch of hoey!

I am also enclosing a check for \$73.75 to cover costs of the WHITEWASH series plus the M.L. King book. As we talked I wrote down the prices as \$26, \$7, \$9.75, \$7, \$12, and \$12. If this doesn't cover it let me know and I will send the balance. Could you autograph a few of them "to Dave from Harold Weisberg " ? I will send more on the White's as I develop it. You probably know I am working with Gary Mack on this. The leads only tend to prove the story false.

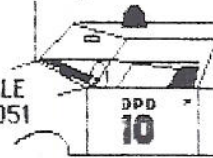

Thanks,

Dave Perry

ADDITIONAL NOTES:

219 Glencairn - County records show that Roscoe White purchased this property from Robert McGregor on 06/08/66 and sold the property to Olosovsky, LW (Evelyn) on 04/05/67

238 Glencairn - County records show JD Tippit purchased this property on 11/14/61. Marie Tippit Thomas filed a deed record for the property on 08/01/73. It appears, at this point, the property was rented to Wade Bowers. Polk's shows vacant in 1973, H.F. Lacy in 1975 and James Winnette by 1981

1226N Morocco - Doyle Kattner is shown as owner until 1981 when it changes to Shirley Kattner. In 1989 there is an obvious misspelling (Shirley Cattner) and in 1990 Shirley Kattner finally gets a phone (214) 337-2936

1990 Phone books show two Geneva Whites living in Dallas.
