Harold;

I have been in Massachusetts visiting relatives, and got to your letter today.

I have not been able to compile a lot of information on the West press conference. However, I called the Secretary of State of Texas office two weeks ago. I found Joe H. West has a company called DE-FENCE Company Inc. which was incorporated on 09/21/83 and another TRUTH, TRUTH, TRUTH Inc., incorporated on 04/13/89. Both offices are located at 1231 Campbell, Houston, TX. (713) 932-6075. Also, under the DE-FENCE name, James Gary Shaw applied for a private investigators license on 05/21/90.

Matsu Inc. was set up for the purpose of following the Ricky White story. It is registered with the State of Texas as a corporation as of 1/25/89. It's agent of record is Jack Ladd. It takes its name from the Kennedy/Nixon discussions of the handling of the islands of Matsu and Quemoy, off Taiwan. In 1964 the French broke off diplomatic relations with Chiang Kai-shek (The Republic of China) and recognized the Peoples Republic.
