R.F.K. Real affairs.

Jackie was a pretentious
good digger as the Omasis
marriage and Tempelmann
affair showed.

Herb said on a
Canadian talk show
he gallantly left out
that Jackie and R.F.K.
Real an affair.

He gets this from
C. David Heyman who
in "A Woman Named

"Jackie" (Hyla Stuart, 1989)
Claimed R.F.K. was killed
by an Arab, gun firemen
in camera. Arab used
and Hyla Stuart retorted.
Heyman got story from
Robert Marrow!

Great sources!

He said he left out
Mary Meyer letters.

Although it is
never stated, the
implication is that
Mary Meyer and Monroe
were involved to

"close their mouths."
What an absurd theory!
Julia Campbell is still
alive! If R.F.K. was
in the business of
"closing mouths", Julia
was the real danger
to him!

I couldn't believe
Summers video, "Say
Good Bye to The President."
Slotz says Monroe
was going to call a
news conference and tell
all. A night wing cop
says she was involved
The Housekeeper denies
the story and says R.F.K. was
there that night. How can
