Dear Harold,

From my recollection of the Barnaby Show on 3/18 there was extensive editing. However, Barnaby did state that Foreman had requested to appear on the Show with Harold, Weisberg, Ambiguity Council this point. The point was stated, not reversed.

Quotations section was torn out. Harman was radical

used. Many teenagers
to their lower cut.
On the surface
the spreading was
not dramatic.

From the
clearing woods of
Barnet, another was
shown in a roadcut
and it was, I see,
quite different in
colored view.

Best Wishes,
