Dear Ed,

Relet 2: speak to Jerry if he has not yet phoned you, as I asked on two things, this and "threat". Pressed for time today. Unless Kaiser's confirmation conspiracy belief is in enclosed clips, which I've not yet read, it is news to me. But welcome. ...Do you know why Frank appeared on Gray when his book is not on sale? Did he say anything substantive?...Even though I knew of JG's deteriorated physical condition, I, too, was shoaked at appearance. Jerry can explain my beliefs faster. He was here. If not burdensome, I'd appreciate relevant clips, esp. N.O., fastest. Something bigger is up, I think.

Clips vy interesting. These will be published soon, I hope in full, by Bantam. I have special interest in anything on withdrawal, as WH 10/2/63 statement referred to in Nat Se. Action Memo 273, 11/26/63. I can't prove it, but I think the added text is in error. I think bigger change had been made in policy, by JFK personally. 1000 is bit one of several figures given in my research now loaned to another, boxes of it, so I can't check.

Thanks, and excuse haste.

Dear Harold:

"The Pentagon Papers" cast a prophetic aura over your "coup d'etat" thesis albeit only a Marxist sheet made a connection -----.

The R.F.K. material did get some media play and Kaiser cautiously affirmed his conspiracy belief ---.

Frank via Barry Gray said his King Book was finished but gave no pub. date or info.

Was shocked by the marked physical and/or mental disintegration displayed by N.G. as per an interview.

What's your view of the matter?

Best Wishes,
