Dear Harold,

During an N.B.C. interview
Barber (in "throw away" lines)
alluded to Hunt's "examination"
of a woman who had
retained from Cuba with
some "strange stories" of
the R.F.K. assassination.

Obviously, Hunt and
Duckett tried to set up
Siskin as Sturges' hit man.

Also, Barber implied he
had done unrevealed
CIA jobs.

The King assassination
would be a natural
for a mass film
as for effect - - - - -

The time now is to
reject the "one assassin"
theory and to reject a
new investigation.
