Description:

Signed statement of
Donald F. Wood
after viewing photographs
on 4-16-68.

Birmingham, Ala

April 16, 1968

I, Donald F. Wood, make the following voluntary statement to Special Agents Neil P. Shanahan and Patrick J. Moynihan, who have identified themselves to me as Special Agents of the F.B.I. I am employed by my father as a salesman at Aeromarine Supply Company in Birmingham, Alabama.

I have just viewed a group of photographs of seven white men and after careful consideration I have selected # 5 as the man to whom Mr. U. S. Baker sold a rifle and scope sight on 3-29-68 and the man that returned this rifle to me on 3-30-68 and exchanged it for another rifle. This man signed the sales invoice as Harvey Lawmeyer.

I can't say exactly at the time but I think that this is the man. To the best of my memory I believe that this

2.

is the man that bought the gun.

I have read this statement
consisting of this and one other page
and it is true & correct to the best
of my knowledge.
