SUBJECT: LEE HARVEY OSWALD, AKA
IS-R-CUBA

At 9:00 PM today, JAMES ELBERT ROMACK, 10825
Beverbrook Dr., Casa View, Dallas, Texas, BR 9-2831
telephonically contacted this office in regard to an
article appearing in the March 6, 1964 edition of the
Dallas Times Herald. The instant article by DARWIN
PAYNE concerned one JAMES RICHARD WORRELL who claims
to have observed an unknown man run from the back door
of the TSBG immediately after the Assassination of
President JOHN F. KENNEDY.

ROMACK stated he works and worked for at the
pertinent time the MKT Railroad on the loading docks
immediately behind the TSBG. ROMACK stated on Nov.
22, 1963 he was eating lunch on the loading dock behind
the TSBG when he heard three shots. Immediately after-
wards he saw a Dallas Policeman running along the
east side of the TSBG north toward him. ROMACK allegedly
told the officer he would watch the back of the TSBG and
the officer went on back toward the front of the building.

ROMACK stated that subsequent to hearing the three
shots he did not leave the area of the MKT loading dock
and was able to observe all activity behind the TSBG. In
doing so, ROMACK stated he definitely never saw anyone
leave by the back door of the TSBG as alleged by WORRELL
in above mentioned newspaper story.

ROMACK stated he would be available for interview
at his home or place of business.

Dallas general indices negative re ROMACK.
